The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Consumption

The only kind of consumption to fear is "neglected consumption."

People are learning that consumption is a curable disease. It is neglected consumption that is so often incurable.

At the faintest suspicion of consumption get a bottle of Scott's Emulsion and begin regular doses.

The use of Scott's Emulsion at once, has, in thousands of cases, turned the balance in favor of health.

Neglected consumption does not exist where Scott's Emulsion is.

Prompt use of Scott's Emulsion checks the disease while it can be checked.

Robbed the Grave.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed at T. J. Wadsworth's drug store.

Face

Was Always Very Pale and Thin.

Nervous Prostration—Faint Spells.

Dr. Miles' Nerveine Saved My Life.

There is great danger in a run down condition. Overwork, mental strain, the cares and worries of business and the home, all have a deleterious effect upon the nerves, which in their debilitated condition readily fall prey to the attacks of disease. Aside from the danger there is no condition attended by so many disagreeable symptoms, such as loss of appetite, indigestion or nervous dyspepsia, headache, tired feeling and loss of ambition together with the agony of sleepless nights spent in tossing restlessly about, only to rise exhausted in the morning. Dr. Miles' Nerveine is a true nerve tonic which, by strengthening the nerves, restores health and appetite and brings sweet sleep. "For six years I suffered almost constantly from a complication of troubles which culminated in complete nervous prostration. I had no appetite, I could not sleep, I suffered from indigestion and nervousness. As is so often the case in nervous prostration I frequently had weak, fainting spells. Doctors did not help me. They said my blood was very poor, and I know my face was always very pale. The very first bottle of Dr. Miles' Nerveine I took gave me noticeable relief and I felt stronger than I had in years. My neighbors in Puyallup, Wash., where I then lived, lived testily to this. I also used some of Dr. Miles' Restorative Tonic and Anti-Pain Pills. I believe the Dr. Miles Remedies saved my life."—MRS. J. C. BENEDICT, Tucker, Utah.
